800-531-5000 for Customer Service

- They start at a 65+ channel package with local channels included for \$40.00 a month with a 1 week trial for free.
- 20 hours of online DVR included
- HBO, Showtime, Cinemax and other premium channels for \$5.00 per month
- No contract
- Spend \$65.00 the first month and get a free Roku Streaming Stick to use in any modern device.
- Works with old style TV's when you have a DVD, Blue Ray that has online capabilities or Xbox and other gaming devices.

Dish Network offers no online package yet, but I would imagine that is coming soon.

Hulu is another service that offers streaming live TV

Order it at www.hulu.com

- \$39.99 per month for 50+ channels
- \$7.99 a month for non-live streaming (kind of like Netflix)
- \$11.99 for non-live streaming with no commercials
- HBO \$14.99 mo. Showtime is \$9.99 mo.

No contract needed.

There are other services like Apple TV, YouTube TV and others. These are just the most popular.
